Filament Publishing, United Kingdom, 2016. Paperback. Condition: New. Deakin Brook (illustrator). Language: English . Brand New Book ***** Print on Demand *****.This book of photocopiable puzzles, that may be used in the classroom and at home, is the result of a request from the World Memory Sports Council (WMSC), the governing body for the World Memory Championships (WMC), to create an international memory competition for pre-schoolers. I decided from the outset that it needed to be fun, stress-free and independent of language: not only for the young pre-reading age children but also for the parent/teacher guiding them. Visual memory training is nothing new. The Ancient Greeks valued it highly but until recently it seems to have been seen as less important. Nowadays it appears increasingly to be a key skill, necessary for academic success. I know from my own experience, when I set a new world record for the Random Images discipline in the 1995 WMC, that visual memory is trainable. Latest neuroscience research indicates it may be advisable to guide all children to develop their visual memories. Working memory is now considered a better predictor of academic success than IQ. There are four photocopiable groups of these puzzles to...

Reviews

Completely essential read publication. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your time (that's what catalogs are for regarding should you question me).
