By Camilla Ceder

Orion Publishing Co, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Inspector Christian Tell and his team are called to the scene of a double murder. University lecturer Anne-Marie Karpov lies dead in her home, alongside her student and lover, Henrik. The crime appears straightforward: Henrik s girlfriend Rebecca, a woman in therapy for her violent jealousy, had been spotted outside Karpov s flat, and her fingerprints are found on the door. But shortly afterwards, when Rebecca s flat is burgled in a seemingly unconnected attack, Tell begins to wonder whether she might be the victim in a larger game. It emerges that items on the Red List - artefacts raided from Iraqi museums - were found among Henrik s possessions. As the truth behind Anne-Marie and Henrik s past begins to emerge, the dead woman s ex-husband, Danish gangsters and Turkish black marketeers all come into the frame. Tell must unravel a web of hidden motives that spans continents, all the while trying to salvage his stormy relationship with Seja.
