

Human Histology (Mixed media product)

By Alan Stevens, James S. Lowe

Elsevier - Health Sciences Division, United States, 2004. Mixed media product. Book Condition: New. 3rd Revised edition. 280 x 214 mm. Language: English . Brand New Book. Human Histology is a well-established textbook, combining a superb layout and illustration program with concise, student friendly text. Clinical scenarios in each chapter link the basic science to clinical practice, making histology stimulating and relevant to current medical students. Other pedagogical features include advanced concept and practical histology sections, making it easy for the reader to dip in to these subjects without being overwhelmed with material. The new edition has been thoroughly updated with the latest information in molecular biology, a new chapter on histological investigations, extra clinical information, and even better images. It will also have a related revision site on Flesh and Bones, including exam questions and an image test bank.
