Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Growing up in the mid-sized Midwestern city of Middletown, Ohio, James Robert Blue Heron has what could only be described as a happy childhood. Bright and imaginative, he is unusually well-versed on current issues such as the Vietnam War and the first moon landing-with personal heroes including the likes of Steve McGarrett and Captain James Tiberius Kirk. But after a real-life neighborhood hero is killed in Vietnam and his father begins facing health issues, the child Blue begins to struggle. He begins to lose focus and daydream in class-fixated on scary monsters and dreams of exploration that inhabit his imagination. Facing growing problems at home and school, Blue begins to find refuge in his creativity and humor, a skill that is equally his greatest blessing and most volatile curse. Now, with a total lack of direction in life, he searches desperately for stability in a rapidly changing world-struggling to keep his own sanity intact along the way. A coming-of-age tale for the underachievers, artists, and dreamers of the world, Messiah of the Heart: The Signs takes a unique look at one individual's endless search for happiness, independence, and spiritual truth.
