This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Great start to a new series! Erika Chase, Author of *The Ashton Corners Book Club Mysteries* As Philadelphia's premier image consultant, Allison Campbell helps others reinvent themselves, but her most successful transformation was her own after a scandal nearly ruined her. And in a place where image is everything, the ability to distinguish what's real from the facade may be the only thing that keeps Allison alive.
