Reviews

I just began reading this pdf. It is actually writter in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

JUST FOUR DOGS (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Diane Hills (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Just Four Dogs is a collection of fictitious stories, written for children, about four real dogs that meet and play together regularly. Introduced in size order, first comes Freddie, a Labradoodle, who is grey and white with a hint of black, especially on his tail. Secondly we have Sasha, an Old English Sheepdog, a fluff ball of grey and white. Third is Tilly, a Tibetan Terrier, official colour sable, and last but by no means least, Bernard a Pug, with perhaps a little bit of Jack Russell, so he may be a Jug. Bernard is black, except for a little splash of white on his right front paw, and a small white blaze on his chest. The nine stories tell tales of what might happen should these good friends be left to their own devices and the mischief they may cause.
