Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

John Wiley Sons Inc, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. A beautiful landscape reflects well on your house, making it a welcome part of a neighborhood or native terrain. And it dramatically increases your home's value. Landscaping also makes your house and yard more useful and better able to complement your family's lifestyle. Trees shade your home to reduce energy use. Thorny shrubs deter prowlers. Lawns reduce dust from bare ground and give children the perfect play area. Patios and decks are great for entertaining. And a vegetable garden can yield fresh, delicious salads to eat on that patio or deck. Landscaping for Dummies has everything you need to turn the little patch of earth you call your own into a personal paradise. Whether you've waited for the day to have property to landscape, you'd never given it a second thought until you had to, or you want to improve on an existing landscape, this book offers a clearly written wealth of knowledge on: DesignsFences, walls, gates, and pathsDecks, patios, and outdoor roomsTreesShrubs and vinesGround cover From the basic principles of landscape design, to all the ins and outs of hillsides, balcony gardens, and water gardens, this book will show you how to: Think like a designerDream up the right landscape for your family's needsIncrease your home's resale valueConserve energyDeal with contractors, nurseries, and hardware suppliersCreate an edible landscape Full of helpful problem-solvers for all kinds of landscapes, Landscaping for Dummies also features sample plans, theme landscape ideas, and a brilliant color photo section to inspire the imagination. Accessible and informative to both beginner and expert landscapers, this is the complete guide to creating the yard you've always wanted.
