Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changed the way I believe.

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. These are some letters and poetry of determined love at a time in everybody s life when determined love matters most. Light poverty without a car or mortgage. Jobs for some money to buy food and wine and pay the rent, eventually. Couples should use this book as a primer to take back what the boss and mandated insurance policies have stolen. Cite it as one of several sources used to rekindle the fire that blazed during times of discovery. From the introduction: I would argue that by covering up real memories of courting happiness to the extent that they exist on par with other childhood rites of passage, like losing teeth or leaving the familial nest, we have denied ourselves and loved ones a published account of what could very well be an example of burgeoning wisdom. So we forget about early love to make room for the tough, grown-up stuff, (ex., career, child rearing, keeping a clean house, grocery shopping, finding hobbies), and no periodic reference to the good ole days can be used to repair broken dreams. Hence dissatisfaction with our wife or husband, the seven-year-itch, and recycled ideas of how great life would be if we could just get away . Separation in the mind, if not actualized, is all too common. And divorce becomes an option, since all reminders of why this girl or guy moved you in the first place, have been buried and lost to time. I believe we all possess this poetry of love s beginning. I think it is a course worth deep study, if only to research why its virtue has been lost to all and sundry. I have brought up these...
