CreateSpace Independent Publishing Platform. Paperback. Condition: New. Henry Hutt (illustrator). This item is printed on demand. 218 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Two novellas about Prize-Fighters: THE GAME is superficially the story of a prize fight and it is a good story. Considered only as a description of the fight it would make the fortune of any sporting editor in America. For most readers this with the love story that runs along with it will be all that is seen, but those who know Jack London as a socialist will see that The Game is the story of a bigger fight than ever took place within the squared circle. It is the game of life that is being fought throughout the book, the game in which the struggle for success swallows up the participant, in which skill, brains and training tell for much, but which at last may be decided by a lucky punch. It is intensely realistic, even to the extent of animalism at times. The illustrations and decorations by Henry Hutt and T. C. Lawrence are striking features of the book. The pen drawings which open the chapters are ghastly strong at times. At the time, Jack Londons fame as an author was being pushed close by his notoriety as a socialist. At least that is the way the some critics put it. The trouble with London is that he is not the ordinary kind of a literary socialist. It would be easy to name a half dozen prominent writers of the previous decade who have occasionally admitted that they were socialists, but their socialism was generally of such a mild inoffensive sort that it didnt hurt them much with their capitalist friends. London, however, is the genuine, old fashioned, proletarian, class struggle, etc. , socialist. His...
