Brand New Book ***** Print on Demand *****.Words You Don t Know takes the reader on a spirited romp through the dusty corridors of the English language. The reader will discover rare words, swear words, wrong words, long words, curse words, terse words, legal words, regal words, tech words, sex words, eponyms, retronyms, nonsense words and words with limericks - even words about words! The author s sharp wit, playfulness, and British charm lend each essay a special perspective that is guaranteed to both entertain and enlighten the word lover in every reader.
