But now grown-ups like you are getting connected, too--even if you use Facebook much differently than your kids do. If you're a grown-up looking to join the Facebook bandwagon, Facebook for Grown-Ups is just the guide you need. You'll learn how to use Facebook to reconnect with old friends and family members and keep them up-to-date on what's happening in your life. Facebook for Grown-Ups shows you how to open a Facebook account, find new friends, post status updates, and share family photos and videos. You'll learn how to become a fan of your favorite performers, join a business network, and create your own topic-specific groups. And if you're worried about privacy, Facebook for Grown-Ups shows you how to keep your personal information from becoming public knowledge. You'll even learn how to keep track of what your kids are doing on Facebook--without them knowing it. Read this book to discover how grown-ups can take advantage of everything Facebook has to offer. It's not just for kids anymore! 336 pp. Englisch.
