SEX AND RELIGIOUS FUNDAMENTALISM: AN ACADEMIC APPROACH TO THE EFFECTS OF FUNDAMENTALISM ON THE DEVELOPMENT OF HUMAN SEXUALITY (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An academic approach to the effects of a fundamentalist religious upbringing on the development of human sexuality. Angelyn Ray, MSW, LCSW, exposes in a short text some of the warnings offered by pioneers in the field of psychology, illuminating causes of the harvest of abuses we reap today. Long before the current sexual abuse disclosures exploded on the national and global scene, the fields of psychology and psychiatry gave ample warning, in penetrating articles and books, of the inherent dangers associated with fundamentalism's attitude toward early human psychological and sexual development. The controversial manual, Sex and Religious Fundamentalism, was chosen as reading for future classes when the author submitted it as an assignment in her graduate class on Human Sexuality, Graduate School of Social Work, Portland State University. A veteran clinical social worker raised in Christian Fundamentalism, now retired, Ray enumerates pitfalls of the fundamentalist mindset in the morass of sexual abuse and crimes, allegations coming out of the strongholds of institutionalized religion, which informs our cultural and political values. Identification of the causes of abuse, and of the dangers endemic to our underlying national values, is a necessary step toward health and healing, and it is to that end that this important text is offered.
