## THE REAL 911: TRUTH AND TESTIMONY (PAPERBACK)

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Real 911 TnT may soon be known as the mother of all conspiracy investigations, for herein lies the most provocative alternative evidence about America s greatest tragedy yet revealed. But because the occult significance of the September 11 attacks transcends any event in modern history, this is not just a revelation of past events; it is a gateway unlike any before it. The disturbing truths of 9/11 lie far beyond the high level government and corporate complicity that you may have read about elsewhere. These truths are of critical importance to every soul on earth, regardless of their knowledge or interest in world events. In fact, it might be said that the solution to this, the greatest of whodunits exists within the deepest depths imaginable. Once you have stepped through the portal made possible by 9/11, you become part of the story. But lace your boots up tight and prepare for a remarkable, challenging road. For this is not simply a trek through the muck and mire of global wealth and posturing, but an inner journey whose course and destination must be carefully evaluated. The Real 911 is an unprecedented fusion of theory and practice that balances traditional and ancient theologies against the very latest headlines. It takes scientific and social paradigms, even world religions to task in a take no prisoners fashion that today s political correctness seldom allows. By deciphering hidden messages, ancient symbolism and numerical subtexts in some very unexpected places, The Real 911 seeks not only to identify the true criminals responsible for the sacrifice of innocent Americans, but to unite that answer with the single most important question of all time: Why are we here? At the...
