It's what each and every one of us thinks, knows, and feels. I want you to find your purpose in life, and work very hard on fulfilling your goals and dreams. True happiness is living and being who you are every day. Making your own choices in life, without worrying who's judging, or you feeling obligated to do anything you don't want to. Keep your thoughts positive, put yourself where you want to be, and don't settle for anything less.
