Alfred Publishing Co., Inc., United States, 2002. Paperback. Book Condition: New. 279 x 208 mm. Language: English . Brand New Book. Sing Noel! is a complete service of music and readings, all in one volume. It contains a variety of carols from many traditions, all arranged in Hopson's accessible style, making this work useful for congregations large and small. The traditional scripture lessons have been replaced by exquisite poetry, chosen from masters of the idiom to texts from Christmas hymns. All this is woven together to create an exceptional service of worship. The work may be performed with organ alone, or with the optional instrumentation (strings, handbells, and percussion), offering additional variety and color to the entire experience.
