It is just one of the best ebooks. I was able to comprehend everything out of this composed pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Novel Idea Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Today's youth face an increasing amount of pressure from the outside world, and from within. Running the race is tough not only for teens, but for parents too. Steadfast Parents Individual Study Guide is designed to give parents the training and endurance needed to help their children stay on course. Based on the movie, Steadfast, nine lessons address these top challenges facing our youth: bullying; bullying and the bystander; purity; eating disorders; substance abuse; cutting; sexual, physical and verbal abuse; suicide; and witnessing. Each lesson outline covers Setting the Pace, Running the Race, Preparing for the Finish Line, and Endurance. There are spaces in the book to write answers to the discussion questions. Also included are links to valuable resources and helpline contact numbers. This study guide is meant to be used with the Steadfast Study Guide Resources DVD or Digital HD which contains relevant scenes from the movie for each topic, inspirational songs for worship, and touching, real life testimonies from people who have dealt with these issues. Filled with practical advice and biblical insight, this study guide will deepen your understanding of the trials your child faces and offers the hope, wisdom, prayers, and strength needed for you to encourage your child to be steadfast and run to win the race of faith.
