Team of Light Media LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Take a ride back in time to the psychedelic days of the 1970s when peace, love and trippy Volkswagen bugs, buses, things and beetles were a huge part of modern culture. This book features 20 classic Volkswagen vehicles complete with an incredible amount of far out designs hand drawn right onto the surface of each classic Volkswagen automobile. Beautiful flower arrangements, mandalas and swirly twirly designs are sure to provide hours of awesome coloring fun. Relax, unwind and get lost in the groovy designs as you give each car a fresh coat of paint using your favorite colored pencils, markers or crayons. Designed to appeal to coloring book fans of all ages. No artistic skill is required in order to make a jaw dropping masterpiece. As a bonus the front and back covers are printed in a matte finish so they can be colored as well. Each classic Volkswagen is printed on one side of 60 lb pure white paper to minimize scoring and bleed-through. We suggest using crayons and high quality colored pencils for the best results. Markers and gel pens work as well, but we suggest placing a piece of scratch paper between the pages to prevent the excessive bleed-through these coloring mediums are known for. Please note the pages in this adult coloring book are not perforated.
