EDGE OF MADNESS (PAPERBACK)

Zhetosoft Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The toughest battles are within us. Zach Templeton is a man on a mission - several, in fact. As a highly decorated former Navy SEAL, he's seen it all. His raw toughness and grit has taken him to faraway lands where he's proudly defended the cause of freedom. But now, he must fight the war at home. Settled into civilian life, he's now running a startup company whose main client is the Department of Defense. But the department is facing an intermittent interference problem that has been plaguing their microwave systems. And if the problem persists, Zach's entire company could be destroyed. What's worse, Zach's beautiful wife Angie moved out of their home three months ago and now wants a divorce. It's the latest domestic trouble facing Zach, who's still haunted by the mysterious disappearance of his parents five years earlier. Meanwhile, he's being drawn into an evil and intricate plot that threatens to take everything he holds dear. With his SEAL training and relentless drive, it's up to Zach to save himself - and so much more. A globe-spanning, fast-paced thriller that's reminiscent of the works of Tom Clancy and Dale Brown, Edge of Madness is the debut novel that will have you on the edge of your seat. From the hometown scenery of Tulsa, Oklahoma, to the corridors of power in Washington, D.C., to the dark streets of the Czech Republic, Zach Templeton is in for the fight of his life. And with every step he takes, with every new danger lurking in the shadows, he gets closer to the disturbing truth that will shatter his world. The only question...
