

Morality, Authority, and Law: Essays in Second-Personal Ethics I (Paperback)

By Stephen Darwall

Oxford University Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Stephen Darwall presents a series of essays that explore the view that central moral concepts are irreducibly second-personal, in that they entail mutual accountability and the authority to address demands. He illustrates the power of the second-personal framework to illuminate a wide variety of issues in moral, political, and legal philosophy. Section I concerns morality: its distinctiveness among normative concepts; the metaethics of bipolar obligations (owed to someone); the relation between moral obligation s form and the substance of our obligations; whether the fact that an action is wrong is itself a reason against action (as opposed to simply entailing that sufficient moral reasons independently exist); and whether morality requires general principles or might be irreducibly particularistic. Section II consists of two essays on autonomy: one discussing the relation between Kant s autonomy of the will and the right to autonomy, and another arguing that what makes an agent s desires and will reason giving is not the basis of internal practical reasons in desire, but the dignity of persons and shared second-personal authority. Section III focuses on the nature of authority and the law....
