Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered what it would be like to be a military wife? Did you know that young military families often struggle to survive on military pay? Read the book to learn more about the adventures and struggles of an 18 year old Air Force wife. If being a young military wife wasn't difficult enough, add a baby to the family. The adventures begin at Chanute Air Force Base in Rantoul, Illinois where the family of three lived in their first apartment. An overflowing bathtub, a missing hamster, and some too close neighbors added to the mayhem. To make life even more exciting, the young family was forced to leave their comfort zone in the midwest and relocate to cold, snowy Minot, North Dakota. Can you imagine moving 1,400 miles from home in the middle of winter at tender age of 18? Arriving in a far off northern tier state with no home, no furniture, and not much money presented many unique challenges. Share the adventures as a young mother daydreams about the rich people who shopped at the former...
