SIMON SCHUSTER, United States, 1994. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Develop a Winning Investment Strategy-with Expert Advice from The Nation s #1 Money Manager. Peter Lynch s invest in what you know strategy has made him a household name with investors both big and small. An important key to investing, Lynch says, is to remember that stocks are not lottery tickets. There s a company behind every stock and a reason companies-and their stocks-perform the way they do. In this book, Peter Lynch shows you how you can become an expert in a company and how you can build a profitable investment portfolio, based on your own experience and insights and on straightforward do-it-yourself research. In Beating the Street,Lynch for the first time explains how to devise a mutual fund strategy, shows his step-by-step strategies for picking stock, and describes how the individual investor can improve his or her investment performance to rival that of the experts. There s no reason the individual investor can t match wits with the experts, and this book will show you how.
