iUniverse. Hardcover. Book Condition: New. Hardcover. 487 pages. Dimensions: 9.0in. x 6.4in. x 1.8in. THE FIRST PRESIDENT Documented national history states that the nations first president had no children. But the oral history of the descendants of this African American family tells a different story. THE CONTROVERSY Many people will believe the story of George Washington fathering a slave son. Others will find it difficult, if not impossible, to believe that Washington had an intimate relationship with a slave named Venus. Their fateful union during the era of antebellum slavery produced a son, West Ford. THE SECRET As time and space distanced the Ford family from its beginnings at Mount Vernon, each generation continued to walk a precarious line, bearing the weight of their heritage and battling issues of skin color, status, and identity. Linda Allen Bryant, a descendant of West Ford, pens her familys narrative history in I Cannot Tell a Lie. Their genealogy is rich in adventure, love, tragedy, sacrifice and courage--a story that will haunt you long after you turn the last page. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
