

Star Wars: Phasma (Paperback)

Filesize: 4.6 MB

Reviews

Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in an remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.
(Dr. Haskell Osinski)

Random House LCC US, 2017. Paperback. Condition: New. Language: English . Brand New Book. NEW YORK TIMES BESTSELLER ? Discover Captain Phasma?s mysterious history in this ?Journey to Star Wars: The Last Jedi? novel. One of the most cunning and merciless officers of the First Order, Captain Phasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Phasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins?and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the Battlecruiser Absolution, a captured Resistance spy endures brutal interrogation at the hands of a crimson-armored stormtrooper?Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Phasma?s past?and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won?t surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Phasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it?and once his adversary unleashes the full measure of her fury. Praise for Phasma ?Fury Road meets The Force Awakens . . . a much-needed origin story for one of the new Star Wars saga?s most mysterious characters.??The Verge ?Dark, gripping, and entertaining.??Roqoo Depot ?Fabulous, utterly engrossing.??Kirkus Reviews.
