Forever Red Publishing LLC, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Before Perfectly Broken, before a beautiful relationship can start, the bond that solidifies who Lili and Zane are together must form. Beginnings are always the first step in building something stunning, something undeniably perfect. The first holiday. Things are tense between Zane, Lili, and Tish. They're all still adapting to living in the house, Zane's divorce has just been finalized, and he's pissed off at the world. A bright light, however, shines in his world of darkness. Will the person he's hated since their first meeting be the one to help him turn things around? The second holiday. One year later, we find a much more settled family. Zane and Lili are falling into a pattern, learning to trust and lean on one another, but one wrong move, just the tiniest of slips, could ruin what is finally feeling solid for the both of them. The beginning of tradition. New Year's Eve brings a fresh start, a chance to wipe the slate clean and begin again. Knowing your history, and where you come from, might be all that keeps you going when your whole world falls apart. The strength of the holidays, family, new beginnings, and acceptance, is how their broken pieces begin to glue themselves back together again, if only for a little while.
