Neon Sunrise Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life s a journey.that s what they tell us right? It s not about a single place that you end up but the experiences you have along the way that yield the satisfaction we re all looking for. Nomads, Pilgrims, Troubadours is a representation of that and the stages the journey might take. We re all wanderers.seekers.and bards in our own way. We re all digging for the light to illuminate the way home. David Greshel is back with his second collection of poetry that attempts to shine a light into the darkest corners of life and engage the heart and mind in another round of self-reflection and discovery. There s an epiphany waiting within these pages if you re brave enough to look.
