Social Psychology and Health (Paperback)

By Wolfgang Stroebe

OPEN UNIVERSITY PRESS, United Kingdom, 2000. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****. Which behaviour patterns are detrimental to health? Why do people engage in such behaviour even if they know about its negative effects? How can people be influenced to change their behaviour? What do we mean by stressful life events and which mechanisms mediate their impact on health? The second edition of this highly successful textbook has been extensively revised. Much new material has been added based on new research which has been done in the last five years, in particular drawing on the author's own research into obesity and sexual risk behaviour. Many of the epidemiological examples and more than a third of the references have been updated. It is essentially a new book which will make an important contribution to the literature. Social Psychology and Health discusses major topics of health psychology from a social psychological perspective. This approach reflects the significant changes which have taken place in conceptions of health and illness during recent decades and the move away from purely biomedical models of illness. In line with this broadening perspective, health psychology has...

Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Lois Cormier II

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Leonie Collins
