WINNING WITH THE DOWS LOSERS: BEAT THE MARKET WITH UNDERDOG STOCKS

Harper Paperbacks. Paperback. Condition: New. 320 pages. Dimensions: 7.9in. x 5.3in. x 0.9in. Bestselling author Charles B. Carlson returns with a counterintuitive yet simple strategy for beating the Dow and making money in the stock market. In *Winning with the Dows Losers*, Carlson shows how any investor -- with any size portfolio or any level of investment knowledge -- can apply his worst-to-first strategy to generate impressive wealth over the long term. By following this simple, sound, and time-tested strategy, investors can invest in high-quality stocks at beaten-down prices and watch them rebound year after year. Investors can: Start with as little as 1,000. Invest in as few as 1 or as many as 10 Dow stocks. Review and adjust your portfolio no more than once a year. Achieve better results than the famous Dogs of the Dow approach. Stock market funds come and go, while investors who chase them usually enrich only their stockbrokers and not themselves. Now, with *Winning with the Dows Losers*, you can regularly pick winning stocks and make money for yourself. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
