Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the first book about amateur futsal management! This book doesn't have a lot of boring futsal theory, its history or statistics of greatest futsal teams. What author offers in this book is completely new and nothing similar was ever written before! The book is an ultimate guide to managing an amateur futsal team. Not only author shows you, what mistakes you should be avoiding, but he also gives you very valuable advices on what can be done better, faster or more effective while fulfilling amateur futsal manager duties. Not a single one newbie in futsal management can know possible mistakes he is about to make on his way to success. Therefore the first thing to do is to learn, what are the most popular mistakes every futsal manager is facing on his duty. Second most important is to learn, what to do to avoid these mistakes! New to futsal management? That's not a problem! You can still manage your team and get it to titles! Don't know, how to manage a team effectively without any human resources? Is it possible to train a team if you only have 1 ball and just 1 training session a week? How to deal with those players, who don't want to listen to you, because you have no experience in futsal management? Do you want to know exact step-by-step instructions of how to find a sponsor for your amateur futsal team? Want to know, what are the most important things to focus your attention during a training session? Don't know, what to say to your team to inspire them during games? Do you want to...
