FREE TRADE VERSUS RECIPROCITY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Free Trade Versus Reciprocity The following paper was prepared a considerable time ago as an address to be delivered to the Chamber of Commerce, but the strong political feeling which has lately been imported into the question of reciprocity has made it inexpedient to raise a discussion in that arena, and hence these remarks are offered to the public in the form of a pamphlet. It may seem almost superfluous to re-argue what has been so exhaustively discussed of late by some of our greatest economists and statesmen, but the writer ventures to hope that the point of view from which he has treated it may possess some freshness and interest, in spite of all that has been said. At all events it is written without bias of any kind, and simply with the view of putting forward the truth as it presents itself to the writer. But for absence from home, this brochure would have appeared two months ago. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
