Pontypool Changes Everything

By Tony Burgess

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. The dark side of humanity is explored in this electrifying science fiction thriller in which an epidemic virus terrorizes the Earth. Causing its inhabitants to strike out on murderous rampages, the virus is caught through conversation and, once contracted, leads its host on a strange journey into another world where the undead roam the streets of the smallest towns and largest cities, hungry for human flesh. Describing in chilling detail what it would be like if thousands suddenly caught such a virus and struck out on a mass, never-ending, cannibalistic spree, this terrifying narrative is perfect for those who are ready to explore their darkest secret imaginings through a sinister and compelling literary work of art. This new edition includes a new afterword on the making of the new motion picture.
