Aziloth Books, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Nietzsche claimed that the Twilight of the Idols was a general introduction to his philosophy. Against the current of his times, he attacked Greek civilization as the ultimate source of decadence. Socrates and Plato are vilified, and the concept of a real world beyond that which we see is scorned as a moral optical illusion . The Anti-Christ offers a similarly pungent critique of Christianity, pointing out that the Gospels reveal two contradictory views of Jesus, one a bringer of joy the other a preacher of Last Judgment, Sin, and Guilt.
