PROPHETIC LITERATURE (PAPERBACK)

Abingdon Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Biblical Studies Biblical texts create worlds of meaning, and invite readers to enter them. When readers enter such textual worlds, which are often strange and complex, they are confronted with theological claims. With this in mind, the purpose of the Interpreting Biblical Texts series is to help serious readers in their experience of reading and interpreting by providing guides for their journeys into textual worlds. The controlling perspective is expressed in the operative word of the title--interpreting. The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers. Although these books of the prophets are based upon the careers and experiences of some of the most talented and provocative individuals of their times, the books must be read first as literature. Each book displays its own unique organization, literary characteristics, and theological outlook in presenting the prophets. In the case of Jeremiah, interpreters must even consider two distinctive forms of the book in the Hebrew Bible and the Greek Septuagint. By guiding the reader through the literary structure and language of each of the prophetic books as well as the social roles of the individual prophets, this volume opens the reader to greater understanding and appreciation of the prophets of Israel and Judah. Fact packed and crystal clear, Marvin Sweeney's Interpreting Biblical Texts: The Prophetic Literature invites readers to tour the landscape of ancient Israel's Latter Prophets corpus. Sweeney serves as a first-rate guide, equipping readers with basic knowledge to grasp, and grapple with, the literary legacies of the canonical prophets. True to the...
