SUDOKU FOR KIDS: 50 CHALLENGING PUZZLES FOR KIDS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Does your child struggle with numbers? Do they enjoy puzzles? We have a solution to the problem of children who find working with numbers to be something of a challenge and have come up with this great new book which has been designed specifically with children in mind. Sudoku for Kids is something different. It uses a simple and enjoyable method to help your child understand and develop their math skills. Written by the author of the award-winning Worlds Hardest Sudoku, this is a book which can change the way your child perceives and deals with mathematical problems, all cleverly disguised as good fun. Sudoku has been a popular pastime with older people for many years and it s clear why that is, with the promotion of concentration, understanding of counting, figures and the general feeling of accomplishment when a grid has been completed. The puzzles inside these pages are deliberately easier, but there is nothing to stop your child moving on to much harder levels once they have gained some confidence with this book. Get a copy of Sudoku For Kids today and start helping your child to build confidence and ability in a fun and entertaining way.
