Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Ancient Egyptians were much better astronomers than they have been given credit for. And that astronomy clearly included an advanced form of astrology too. Now the Great Pyramid Timeline has been fully decoded. With the help of stories about the Ennead - the Nine gods from Egyptian Mythology, the Egyptian Book of the Dead, and Galactic Ecliptic tables of the Planets. As it turns out, Thuban - the Dragon Star, was shining straight down the Descending Passage one day in 2143 BC, marking that date and meant to be connected to the Scored Lines, from where to start counting. One Primitive Inch for every Year down the Descending Passage. When the Timeline goes horizontal, time continues with the same speed from North to South as before. When following this through the Great Pyramid Passages a Message appears; telling of an understandable Plan to Rescue Humanity from Death. By way of an Awakening - the likes of which the World has never seen. An awakening which has already started, but which will intensify in the years now ahead.
