Hohm Press,U.S., United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Who can doubt that Americans are in the midst of a health crisis? We are plagued with rampant obesity epidemic diabetes, along with allergies, arthritis cancer-all of which are linked to food intake diet. At the same time, our media food industries intensify our junk food obsession, sanctify the time-saving, highly processed foods or take-out menus that are fast becoming the norm for family meals. It is now possible for busy moms to buy frozen, individually wrapped, peanut butter jelly sandwiches for kids lunchboxes! Dharma Feast Cookbook supports the critical need for wellness healing through food . . . for gently effectively transitioning to a healthier lifestyle . . . and for providing a sane, natural way to diet. These 200+ recipes are nutritious, delicious, time-efficient easy to prepare, even for beginners who might need coaching in how to make a meal from scratch. Unlike many cookbooks that advocate one system, these tested recipes are drawn from a variety of food cultures-including vegetarian, vegan, macrobiotic, gluten-free, raw juice-based. In all, this book makes use of readily-available, fresher less-processed ingredients. From sumptuous breakfast alternatives, like Papaya Pudding Smoothie; to summer picnic lunches that might include Potato, Beet and Cabbage Salad; to tried and true winter soups, like German Hokkaido Pumpkin; to hearty daily entrees of Soba Noodles with Asian Sauce; to special occasions menus . . . from India, France or Japan; to desserts of Lemon Sorbet and Cardamom Shortbread . . . this cookbook has it all. As it encourages slowing down, learning about food, preparing it properly, and eating it consciously, Dharma Feast Cookbook helps cooks (their families guests) to take a giant step forward in self-esteem and self-understanding. Allowing better care of ourselves,...
