Oxford University Press, USA, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Examining issues of power, gender, and religion in the ancient world, *Perpetua s Journey: Faith, Gender, and Power in the Roman Empire* is a graphic history set in Roman Africa in 203 CE that tells the story of the Christian martyr Perpetua. The *Passio Sanctarum Perpetuae et Felicitatis*, also known as *The Passion of Saints Perpetua and Felicity*, is the first extant diary authored by a Christian woman. Vibia Perpetua was a young mother who lived in Roman Africa and, at the age of twenty-two, chose to publicly proclaim her Christian faith. She died as a result of her actions, though she did not die alone; she was part of a group of Christian martyrs, including several slaves, who were placed in prison and then executed in Carthage during the birthday celebrations of Emperor Septimius Severus s son in 203 CE. Perpetua s diary contains her account of the days leading up to her martyrdom. *Perpetua s Journey* occupies a space between the many works designed primarily for specialists and advanced scholars, who already know a great deal about Perpetua and the history of the Roman Empire, and lives of saints that are intended for general readers. *Perpetua s Journey* is unique because it combines both sequential art and historical and social commentary, and it places Perpetua s diary in the context of life in Roman North Africa in 203 CE.
