THE TIMETRAVELER TIDBITS #1: THE CHRYSALIS TEACHINGS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The TimeTraveler Tidbits are articles taken from the Chrysalis Teachings which have been published in booklet form and also in full size book form as The New Millennium NoteBooks. I m now trying to get the information to younger people, tweens and teens, by publishing the material in a comic book format. At first I was hesitant about using this format wondering if people would think it disrespectful for spiritual insights to be presented this way, but it does soften the impact of the seriousness of the material and will help with understanding. But I believe the comic format is used a lot for spiritual material in Europe and also in India and other countries, so I m giving it a try. Chrysalis is a state of expectation. It is similar to that period of waiting while in the mother s womb - waiting to begin a new life. This comparison of Chrysalis to a babe in the womb puts the progress of humanity at the same comparative level in their progress towards a new life, which will be as the opening of the door to understanding. They are at the instinct level of comprehension as far as sensing that which the next stage will bring. Humanity is trying to correct a very complicated makeup with simple tools and it cannot be done. It is to be compared to digging up a football field with a teaspoon to the level of one foot deep. It is an impossible job with no end in sight. To be able to understand the tools needed they must first understand their complicated makeup. The first part of the teachings is the designing of...
