McFarland Co Inc, United States, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. The 14 essays in Game on, Hollywood take on several points of game and film intersection. They look at story lines, aesthetics, mechanics, and production. The book is about adaptation (video game to film, film to video game) but it is even more about narrative. The essays draw attention to the ways, workings and possibilities of telling a story in the present moment. They consider differences and similarities across modes of storytelling (showing, telling, interacting), explore the consequences of time, place and ideological underpinnings, and propose critical approaches to the vastness of narrative in the age of multiple media storytelling. Ideas of genre and discussions of art play through the essays, highlighting other issues of adaptation and media convergence. The video games and film texts discussed include The Warriors (1979 film; 2005 video game), GoldenEye (1995 film), i (1997 and 2011 video games), Buffy the Vampire Slayer (2000-2004, television show), Buffy the Vampire Slayer: Chaos Bleeds (2003 video game), Prince of Persia: The Sands of Time (2003 video game; 2010 film), the Star Wars franchise empire (1977 on), Afro Samurai (2009 video game), and Disney s Epic Mickey (2010 video game).
