Get is a colloquial code to express an awesome range of actions, attitudes, emotions, intentions, and implications. Now come along on a most unusual safari into the jungle of how Americans actually talk. You'll hear the way we talk in casual situations, not that formal stuff for public speaking, business, or writing. You'll marvel at the agility and expressiveness of get and soon start noticing how everybody uses it all the time. And believe you me, it really does take a whole book to define this little bitty word. Be sure and wear sensible shoes and bring something to eat and drink because it's going to be quite a hike! Always keep a sharp eye out for treacherous ambiguities and that beastly old context! Do try to keep up with the group and stay...
