

## See Saw Swings: Exercises to Improve Tone, Technique Note-Reading (Paperback)

By Michael Alexander Strauss

Createspace, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. See Saw Swings is a book of violin exercises for beginning and remedial students. It is absolutely necessary for every violin teacher. Think of it as Sevcik with a heart. Also great for self-teaching adults! Most students can complete all the exercises within a year and sometimes as quickly as four months. At that point, the student is ready to learn anything at the level of Suzuki Volume 4, pieces like Seitz and Vivaldi concerti. This goes for violinist, violists and cellists. See Saw Swings is more than 50 pages of variations on a simple tune. The variations cover every note up to 4th position on all four strings. There are also rhythmic variations, and all the iterations can be modified with slurs, accidentals, and shifting. When students practice See Saw Swings, it not only allows them to read pages of music without pause, but it gives them confidence that they can sound good on every piece they tackle. Every teacher that uses this book reports that all of their students love it. It is like nothing you ve ever tried before, and because...
