Saint Joan (Paperback)

By George Bernard Shaw

Bloomsbury Publishing PLC, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. What other judgment can I judge by but my own? Charting the meteoric rise and fall of Joan of Arc and her mission to drive the English from France, Shaw's Saint Joan draws directly on the medieval records to cut through the sentiment that characterized previous literary treatments of her story. A powerful example of a new kind of history play, its staging of dissent and social constraint, personal responsibility and female assertion, as well as fervent adherence to a cause, gave it a powerful modernity in its own day and continuing resonance in ours. Acclaimed internationally, this instant modern classic propelled Shaw to the Nobel Prize for 1925. This new edition includes Shaw's definitive text and full Preface and provides the most comprehensive scholarly treatment of the play to date, featuring commentary on: * the historical and theatrical context * the development of the text and stage-worthiness of the play * correlation of the dialogue with the records of Jeanne D Arc's trial * an international stage history * an appendix identifying the historical models for the characters.

Reviews

Absolutely among the best book We have ever study. It is actually writter in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.

-- **Kristina Rippin**

It in a single of the most popular publication. It is loaded with wisdom and knowledge I am effortlessly will get a delight of studying a published book.
