

The Lost Waves of Time: The Untold Story of How Music Shaped Our World (Paperback)

By Jill Ingeborg Mattson

Wings of Light, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. 2016 Coalition of Visionary Resources (COVR) Book of the Year 2016 Coalition of Visionary Resources (COVR) Alternative Science Book of the Year The Lost Waves of Time is the mind-blowing story of how music-- (the sound vibrational matrix of infinite variety)--literally shaped human history. Lost Waves of Time will take you back to the beginning and ahead to the potential that we have forgotten. Prepare for a ride through history in a way that will move you to your core. You will recognize information from a deeper inner place that you likely didn't know even existed within in you. --Sharry Edwards, Founder Bio Acoustics This book reveals--more than anything else--what the conventional history books never will! Almost no one knows this story--and I doubt academia would dare to tell it! From the mythic days of Atlantis through all the histories of the major civilizations: An idea echoes around the ancient world; the vibrational power of music slowly shapes human emotions, behaviors and actions. These influences accumulate and solidify, resulting in entire cultural reform. . Like the slow erosion of a tall mountain into a...
