Elements of Plane and Spherical Trigonometry: With the First Principles of Analytic Geometry (Classic Reprint)

By James Thomson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Elements of Plane and Spherical Trigonometry: With the First Principles of Analytic Geometry The first edition of this work was intended chiefly as a Text-Book for the use of the students in the Belfast Institution, when the Author was Professor of Mathematics in that establishment; and it was therefore written, not as a regular and complete treatise on Trigonometry, but as an outline to be filled up, and illustrated orally in the Lectures. It was received, however, by other readers in a more favourable manner than the Author could have anticipated omits nature and form; and, in consequence of this, he has been induced, in the subsequent editions, to make various alterations, and, it is hoped, improvements. The investigations, though still concise, are given at such length as to be easily understood by readers of ordinary talents and attainments; and various interesting additions are introduced, some from the best recent works on the subject, and others that have occurred to the Author himself. Of the latter kind are the improvements in the numerical resolution of...
