

Food and Beverage Management

By Bernard Davis, Andrew John Lockwood, Ioannis S. Pantelidis

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 5th Revised edition. 242 x 188 mm. Language: English . Brand New Book. This introductory textbook provides a thorough guide to the management of food and beverage outlets, from their day-to-day running through to the wider concerns of the hospitality industry. It explores the broad range of subject areas that encompass the food and beverage market and its five main sectors - fast food and popular catering, hotels and quality restaurants and functional, industrial, and welfare catering. New to this edition are: * Case studies covering the latest industry developments within a wide range of businesses from the UK, the USA and worldwide to help you understand how these ideas work in practice * Coverage of contemporary environmental concerns, such as sourcing, sustainability and responsible farming. Issues of how to maintain financial control of a business, handling staff and how to market your operation before discussing ways in which you can deliver quality to the customer * It looks at some of the trends affecting the food and beverage industry covering consumers, the environment, ethical concerns as well as developments in technology * Updated companion website including case studies, multiple...
