Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

CORPORATE SOCIAL RESPONSIBILITY

Grin Verlag Aug 2008, 2008. Taschenbuch. Book Condition: Neu. 210x148x3 mm. This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2005 in the subject Organisation and Administration, printed single-sided, grade: 1,3, University of applied sciences, Neuss, course: Marketing, 17 entries in the bibliography, language: English, abstract: 'Corporate Social Responsibility', or CSR for short, is the buzzword for company voluntary initiatives involving a number of various activities and company s programs. But the question is what does Corporate Social Responsibility really mean and how is it implemented in German companies. Expectations are growing as the public at large and, increasingly, the financial markets want to know not just what a company does with its profits, but also how it earns them. This assignment examines first in what extend ethical aspects are an essential condition for the justification of Corporate Social Responsibility. Therefore the basic aspects of CSR and the paradigms to ethics will be discussed in the first part. Afterwards before examining the situation of CSR in the German business landscape, the main elements to build up a program focussing on social responsibility will be listed. Then with the insight of what drives a CSR program, the question how is it implemented in German companies in order to meet stakeholders expectations will be answered. Several surveys conducted by agencies and the German ministry will be the basis for an objective reflection of the situation in Germany and illustrating the variety of initiatives and commitments. Final regards on the problems and risks connected with Corporate Social Responsibility are mentioned to close up the study. If you follow the literature and daily press, marketers are verifying their relationships with social values and responsibilities. Philip Kotler is pointing out in his Principles of Marketing that as the worldwide consumerism and environmentalism movements mature, today s marketers are being called upon to take greater responsibility...
