Views of Denver Colorado, 1890 (Classic Reprint) (Paperback)

By Oliver Otis Howard

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Views of Denver Colorado, 1890 It has often been said that Colorado has no farms nor farmers. However true this may have been in the past, it is far from the truth to-day. The fact is that thous ands ou thousands of acres of what was supposed to be arid land, have, by the introduction of irrigating canals, become rich and productive farms. No soil in the world exceeds in richness the soil of the plains and valleys of Colorado, and what was once considered the Great Amer ican Desert, is now covered with waving fields of grain, rich garden tracts and ? ourishing orchards and vineyards. The wheat, oats and barley of Colorado have no equals in the vast territory of the United States. The kernels are more plump and heavy, while the ?our produced is of the finest quality. Fruit raising is yet in its infancy, but the Arkansas, San Luis, Poudre and Grand River Valleys, can show some of the finest young orchards of apples, pears, peaches, plums and apricots to be found in the country. The orchards in the...

Reviews

This written publication is wonderful. It is rally fascinating throgh reading period. I discovered this book from my dad and i suggested this publication to find out.

-- **Keshaun Daugherty**

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
