Reviews

Completely essential go through pdf. It really is simplistic but excitement within the fifty percent in the ebook. Your lifestyle period will be change when you full reading this pdf.
(Shaun Bernier II)

THE SEQUENCE

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.***LIMITED TIME OFFER*** Point of Sync academy is bringing you The Sequence, a 6-module advanced personal development and business master course with 3-stage business model bonus. This groundbreaking program is designed to enable every person on this planet to reach what is known as the point of sync. It s the result of two decades long research, experience and successful repeated execution of its concept. In short, the process of alteration and adaptation consists of these 5 main elements: 1) Complete understanding of the monetary society in order to fine tune your strategies and actions. Youve been taught wrong or not at all. Make no mistake; you have to further optimize your responses and actions. 2) Understanding the importance of time as the most valuable asset; the one thing you cannot get back or earn again. Once you understand, youll go through exercises in order to further forge your skills and master the time management. 3) Understanding the principle purpose of money which will be followed by learning exercises in order to master the proper money management; something you know nothing about because of your wrong perception of money. Youll be presented with the most effective money management program. 4) In this point, after learning the system, time and money, youll be suggested with the optimal 3-stage business model. The main reason why this particular business program is designed is its proven track of records and relative simplicity. This exact approach is repeatedly used to create several independent sources of income and generate the seed money which is then used in final stage of the model. If you decide to follow the program, be ready...
