Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The story of Lucifer s fall from Heaven is well known. The fall, the Crucifixion, the descent into Hell: all caused by the actions of one angel. His wicked nature is legendary, surviving throughout all recorded time; yet as everything goes, there are two sides. Each with their own reason and justifications. Knowing only part of the story is worthless. The Keys of Death and Hades is the first book in the Epic of Lucifer. It is the story as it happened through the Wyrms eyes. What could be so precious that Lucifer would dare defy the will of God, Supreme Creator, all over again?.
