

## Ellie: (A Beyond Ivy Novel)

Filesize: 6.56 MB

### **Reviews**

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## ELLIE: (A BEYOND IVY NOVEL)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ellie is a 25-year-old graduate with a fancy degree and little to show for it--until a cross-country move thrusts her into a life of corporate offices, love triangles, and cosmopolitan friends. Ellie has spent the last three years working at a non-profit office in her hometown, filing papers and moving from Assistant Program Coordinator to Associate Program Coordinator (no raise, no new responsibilities). But when her boss informs her that her position is being consolidated, Ellie decides to move across the country, and to try to create the life for herself that everyone else seems to have: a life of excitement, travel, success, and good friends. Except, New York City is not all it s cracked-up to be, especially when Ellie has trouble finding a job and realizes that one of her roommates likes hosting vampire pop-up parties. The only bright spot is Nori, Ellie s fellow fancy-degree-holding, success-lacking roommate, a 24-year-old indie musician who graduated from Yale. As Ellie grows closer to him, she starts to question her own motives for being out there, and her own ideas of success. But then things start going right--Ellie gets a corporate job, Ellie finds new friends, and Ellie finally, finally, might be just achieving the sort of success that she had first envisioned, complete with company-sponsored trips and schmoozing with a very attractive older consultant. Suddenly, Ellie has to decide just what she s willing to leave behind to get ahead--and who she wants to become in the process. ELLIE is a 45,000-word, sweet, new adult romance.
