An Active Instrument for Propaganda: The American Public Library During World War I (Hardback)

By Wayne A. Wiegand

ABC-CLIO, United States, 1989. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This study effectively addresses the question: What was the involvement of the American public library community in The Great War? A comprehensive introduction provides an overview of public library history prior to World War I, touching on such topics as the growth of the public library from the genteel, early nineteenth-century social libraries of New England and the Mid-Atlantic states and the founding of the American Library Association in 1876. The A.L.A. provided for an exchange of information and a means to address common problems encountered in librarianship. It facilitated the adoption of the Dewey classification system, pressed for the publication of periodical indexes, and began publishing its own collection guides. Wiegand details the socioeconomic characteristics of turn-of-the-century library professionals and their determination to address industrialization, urbanization, and immigration as these issues came within their sphere of influence. He identifies two perplexing problems of the period: the inability of public librarians to force Americans to actually use their libraries, and the challenges posed by new forces in the cultural, intellectual, and literary worlds. It is against this background that American public librarians...
